BT **Sweepy** Hydro

FROM 2026 SERIES

The walk behind beach cleaner

Engine horse power
7.5 kW / 10.2 hp

Working width
3 ft 5 in

Hopper volume
11.6 U.S. gal

Area coverage
up to 1 acre/hr

PRODUCT KEY FEATURES

- **Maneuverable and flexible:** Perfect for smaller sand areas and beach sections with many obstacles.
- **Wide range of applications:** The quick change system can turn the machine from a beach cleaner into a snow removal tool, lawn mower, street sweeper and many other devices quickly and easily.
- **Easy operation:** The turnaround active steering system allows for a tight turning radius (zero turn). The speed is infinitely variable with just one hand.
