

RTEL™ Replaceable Tailgate Spreader

- Designed for 15,000 + GVW trucks
- Replaces existing dump body tailgate
- Works with 88 in. or 96 in. wide dump bodies
- Utilizes truck's electric system so no expensive hydraulic system is needed

Highlights

- Rugged 6 in. auger with continuous flighting
- Independent electric motors control auger and spinner
- Available with center or left discharge
- Adjustable height 18 in. poly spin disc broadcasts up to 40 ft.
- Stainless steel or carbon steel construction
- Electric Interlock System (EIS) permits disabling of auger when opening bottom door or top cover
- Anti-flow plate prevents material free flow and helps minimize material waste
- Hinged bottom door for easy clean out and blockage removal
- Made in the USA
